This policy does cover

Bodily injury or property damage

To the extent you are legally liable, we cover damages or claims expenses if you injure a third-party or damage someone else's property (including damage due to a fire at a premise you rent, unless you work from home). However, such damage must not be as a result of your professional services. Bodily injury that occurs to a third-party as a result of your professional services may be covered by our Professional Liability policy.

Medical payments

We will make medical payments as a result of bodily injury that occurs in the course of your business operations, regardless of fault.

Defense costs

If you're sued, even if you're not at fault, we will appoint an attorney to defend you, even if the lawsuit is groundless. We will pay these defense costs on your behalf.

Personal and advertising injury

We cover claims of libel and slander that are not part of your professional services. We also protect you if your advertisement unintentionally uses a third-party's advertising idea or infringes upon another's copyright.

Worldwide insurance coverage

We cover damage that occurs in the United States, its territories and Canada. We also offer some coverage for instances outside these areas while you're away on short periods of travel.

Employees, temporary staff or volunteers

Hiscox will cover claims arising from actions of your employees, temporary staff, or volunteers if they were performed on behalf of your business.

Supplemental payments

Your Hiscox policy covers the following expenses, should they be incurred, without reducing your limit of liability:

- all expenses we incur, including defense of lawsuits
- up to \$250 a day for reasonable expenses (including loss of earnings) you incur as a result of assisting us in the defense of a claim or lawsuit
- interest on damage awards.

✗ This policy does not cover

Intent to injure

We won't cover you for any act that occurs with the intent to injure. This includes personal and advertising injuries if you knew your actions were false or violated the rights of others.

Outside the policy period

We won't cover claims for bodily injury, property damage, or personal and advertising injury that do not occur during the policy period.

Known claims and circumstances

We won't cover your business for any claim or circumstance that could result in a claim you knew about prior to the start of your first Hiscox policy.

Personally identifiable information

We won't cover your failure to protect any personally identifiable information that is in your care.

Professional services

We won't cover any professional services performed by you. These types of risks may be covered as part of our Professional Liability Policy.

Vehicles and boats

We won't cover any claims arising out of the ownership or use of an automobile or a watercraft.

Workers' compensation

We won't cover any obligation you may have under a worker's compensation claim or similar law.

Your property

We won't cover claims for damage to property you own or have in your care.

Common claims examples

Bodily injury

During an appointment at a client's home you step away to answer your phone. When you return you see that your client has tripped over your bag and injured his hip and is unable to get up. We will cover the subsequent claim and related medical expenses up to your limits of liability.

Property damage

You spill coffee on a client's rug causing a permanent stain. We will cover the subsequent claim up to your limits of liability.

Personal injury

One of your employees is gossiping with a long standing client. She talks about one of your new clients in a false and unflattering way. The client learns of this discussion and sues for slander. We will cover the subsequent claim, up to your limits of liability, and pay for an attorney to defend you if necessary.
